Dear Mr. Brown:

Thank you for your letter of November 22, 1991, with the updated information as to what you are doing concerning environmental hypersensitivity. I will pass on the information that you are providing to the regional coroners so that they are familiar with your efforts in this regard.

You ask in your letter that I write to find out what is happening with the Ministry of Health with regard to policies. In fact I have sent such a letter and to date have not received any reply back from the Ministry. A copy of my letter is included for your information.

I hope these actions meet with your approval. Thank you for keeping me informed of your progress.

Sincerely,

James G. Young, M.D.
Chief Coroner for Ontario.
